Points are awarded by your handicapped score against other players competing in the event. Men and women scoring are separate from each other. Handicaps are calculated using the USGA formula and stored in a excel program sent to each player after each round. You will have up-to-date information on standings right up to the last event scheduled.

Reminders will be sent for each event so tee times can be established. Because most courses require a credit card to reserve the tee times, please do not sign up for the event if you are in doubt of playing. The club or myself could be charged for your absence.

Come join the competition, fun and the enjoyment especially after the competition ends. We do know how to party.

Summer Meetings – are usually held at a member's home on a Friday evening or during the weekend. It usually is a picnic or cookout. These meetings we just sit back and reminisce our past winter experiences, catch up with friends and have some fun...like playing volleyball and/or bocci. The club provides food and soda. It is BYOB. We need volunteers to open their home to the meetings. Please contact Jane Suto.
